

Program Schedule			
Winter School on Materials Characterization Techniques [International Conference on Multifunctional Nanomaterials (ICMN2020)]			
December 26-27, 2020			
Manipal University Jaipur (MUJ), Jaipur, Rajasthan, India			
Day 1: December 26, 2020 (Saturday)			
	Time	Speaker	Topic
	11:00 AM – 11:15 AM	Dr. Ashima Bagaria and Dr. K. P. Misra	Welcome Address and Introduction to the School and ICMN2020
	11:15 AM – 12: 15 PM	Dr. Ashima Bagaria,	Single Crystal XRD of Macromolecules
Lunch Break			
	02:00 PM – 03:00 PM	Dr. K. P. Misra, Manipal University Jaipur	X-Ray Diffraction: Fundamental to Advanced Understanding
Day 2: December 27, 2020 (Sunday)			
	11:00 AM– 12:00 PM	Dr. R. K. Verma, Central University of Rajasthan, Ajmer	Surface Plasmons: Fundamentals and applications
Lunch Break			
	02:00 PM– 03:00 PM	Dr. Saikat Chattopadhyay, Manipal University Jaipur	Introduction to DFT based material simulation software for electronic structure calculations
